

ASBESTOS DISEASES COMPENSATION BILL — REINTRODUCTION

272. Hon ROBIN CHAPPLE to the Leader of the House representing the Attorney General:

My question is C282. I refer to the Asbestos Diseases Compensation Bill 2013, introduced during private members' time by the now President of the Legislative Council of Western Australia, Hon Kate Doust, MLC, on 31 October 2013. Will the government seek to reintroduce this important piece of legislation; and, if not, why not?

The PRESIDENT: An excellent question.

Hon SUE ELLERY replied:

Please see Legislative Council question without notice 49.
