

MITCHELL FREEWAY–REID HIGHWAY INTERSECTION — UPGRADE

812. Hon ED DERMER to the minister representing the Minister for Transport:

I refer to the Minister for Transport's and the Premier's media statement of 12 October 2012 about an upgrade of the Mitchell Freeway and Reid Highway intersection.

- (1) How much of the \$5.2 million expenditure is expected to be spent in the current 2012–13 financial year?
- (2) How much of the \$5.2 million is expected to be spent in each of the 2013–14, 2014–15 and 2015–16 financial years?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of the question.

- (1)–(2) Main Roads advises that in the 2012–13 financial year, expenditure will be \$1.075 million. In the three out years, it will be the balance of \$4.125 million.

I notice that the question, now that I see it, appears to have been misread, so I do not have a breakdown for each of those three years. But I provide this information now and I will get the member that information and pass it to him separately after question time.
