

DEPARTMENT OF EDUCATION — PLANNING

864. Hon DONNA FARAGHER to the Minister for Education and Training:

I refer to the answer given to question without notice 623 asked on 12 June 2019 regarding Woodbridge Primary School.

- (1) Has the work to amend the local intake areas been completed; and, if not, why not?
- (2) If yes, will the minister table a map that details the new boundaries?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) Discussions are continuing with the principals of the affected schools to develop local intake areas that all parties agree with. Two alternative options to amend the local intake areas have been presented to the principals and, based on their feedback, further development is being undertaken on the preferred option. This is taking longer than first anticipated. The local intake areas will be in place for the 2020 school year.
- (2) Not applicable.
