

TWOMEY TASKFORCE REPORT — RECOMMENDATIONS

7133. Mr P. Papalia to the Minister for Education

With reference to the Liberal Party's 2008 commitment to implement all of the Twomey Taskforce recommendations, will the Minister table a list of recommendations implemented, amended, deferred or abandoned to date?

Dr E. CONSTABLE replied:

The Liberal Party did not make a commitment to implement the recommendations of the Education Workforce Initiatives Taskforce.
