

AUBIN GROVE TRAIN STATION

**564. Hon KEN TRAVERS to the minister representing the Minister for Transport:**

I refer to the minister's announcement of a new Aubin Grove railway station to be located in the suburbs of Atwell and Success.

- (1) On what date did the Public Transport Authority request the preparation of the artist's impression of this proposed station?
- (2) What was the cost of the artist's impression of this proposed station?
- (3) What planning work has the government undertaken on bus routes to service this station and will the minister table it?
- (4) How much land is required to be purchased for the car park at this station and who currently owns the land?
- (5) What traffic modelling has the Public Transport Authority undertaken on the impact of the 2 000-bay car park on surrounding roads, and will the minister table it?

**Hon SIMON O'BRIEN replied:**

I thank the honourable member for some notice of this question.

- (1)–(5) I do not know whether the Minister for Transport is in or out of the metropolitan area at the moment. In any case, I am advised that it is not possible to provide the information in the time available, and I request that the member place the question on notice.
