

QUARTER DEVELOPMENT — KARRATHA

**431. Hon ALANNA CLOHESY to the minister representing the Minister for Regional Development:**

I ask this question on behalf of Hon Stephen Dawson. I refer to the Minister for Regional Development's media statement of 3 November 2014 concerning work on projects in Karratha.

- (1) How many earthmoving, concrete and fencing contractors are currently working onsite, and how many of those were recruited locally?
- (2) Can the minister confirm the Quarter construction phase will provide up to 150 local jobs?
- (3) How many workers are currently working on the Quarter project, and —
  - (a) how many of those workers were recruited locally; and
  - (b) how many of those workers are non-local?
- (4) How many workers are currently working on the Karratha Health Campus site, and —
  - (a) how many of those workers were recruited locally; and
  - (b) how many of those workers are non-local?

**Hon COL HOLT replied:**

I thank the member for some notice of this question. The information is not available in the time frame required. I therefore ask the honourable member to place this question on notice.
