

ANZAC CENTENARY COMMEMORATIONS — BRIGHT COMMUNICATIONS

1969. Mr P.B. Watson to the Minister for Veterans:

I refer to the ANZAC centenary commemorations communications consultants, can the Minister please advise:

- (a) what was the process used to engage both Project 3 and Bright Communications as communication consultants for the centenary commemorations;
- (b) what work has Project 3 been contracted to do;
- (c) what is the length of the contract for Project 3;
- (d) what is the total cost of the contract for Project 3;
- (e) what work has been completed to date by Project 3;
- (f) what work has Bright Communications been contracted to do;
- (g) what is the length of the contract for Bright Communications;
- (h) what is the total cost of the contract for Bright Communications; and
- (i) what work has been completed to date by Bright Communications?

Mr J.M. Francis replied:

- (a)–(i) The process, contract, cost and work for Project 3 was determined and is managed by the City of Albany. The process, contract, cost and work for Bright Communications was determined and is managed by Project 3.
