

SCHOOLS — DUNSBOROUGH PRIMARY SCHOOL

808. Ms L. Mettam to the minister representing the Minister for Education and Training:

- (1) How many students are currently enrolled at Dunsborough Primary School?
- (2) What are the projected student numbers at Dunsborough Primary School for 2018 and 2019?
- (3) What plans are in place to support any growth in projected student numbers at Dunsborough Primary School?

Mr P. Papalia replied:

- (1) As at the Department of Education's Semester 1, 2017 Student Census, Dunsborough Primary School had an enrolment of 798 Kindergarten to Year 6 students.
- (2) 2018: 798 projected enrolments
2019: 823 projected enrolments
- (3) The Department of Education currently uses transportable classrooms to supplement the permanent classroom facilities to manage fluctuations in student enrolments at the school. Some possible spaces have been identified for accommodating additional transportable classrooms on the school site, if required. As part of the long-term planning for public schools in the Dunsborough area, the Department has set aside a future primary school site in Dunsborough Lakes. The requirement for a new school in the Dunsborough area will continue to be reviewed regularly in the context of statewide priorities.
