

TRANSPERTH — DRIVER RED-LIGHT AND SPEED INFRINGEMENT

4321. Hon Ken Travers to the Minister for Finance representing the Minister for Transport
- (1) How many speed camera infringement notices were received by drivers of Public Transport Authority buses in 2010?
 - (2) What were the top ten locations at which infringements were received in 2010?
 - (3) How many individual drivers received infringements in 2010?
 - (4) What was the most number of infringements received by an individual driver in 2010?

Hon SIMON O'BRIEN replied:

The Public Transport Authority advises:

- (1) 143
- (2) Wright Street
Stirling Highway
South Western Highway
Walderton Avenue
Elderberry Drive
Erindale Road
South Street
Hepburn Avenue
King Road
Read Street
- (3)–(4) The Public Transport Authority (PTA) does not maintain this information. The PTA refers any infringements it receives for Transperth buses to the relevant Transperth Contracted Service Provider to identify the driver of the bus. This then enables the infringement notice to be reissued by the Western Australian Police to that driver.
