447. Hon HELEN BULLOCK to the parliamentary secretary representing the Treasurer:

- (1) Has the Treasurer concurred with the 2009–10 statement of corporate intent for Western Power in accordance with the Electricity Corporations Act 2005?
- (2) If not, why not?
- (3) Will the Treasurer direct the Minister for Energy to table with urgency the 2009–10 statement of corporate intent for Western Power?
- (4) If no to (3), why not?

Hon HELEN MORTON replied:

I thank the member for some notice of this question. The Treasurer has provided me with the following answer —

- (1) No.
- (2) The Economic Regulation Authority's determination on Western Power's second access arrangement was not finalised at the time the statement of corporate intent was submitted. The ERA's final determination, which was made on 19 January 2010, needed to be considered during the 2010–11 budget process before the statement of corporate intent could be finalised.
- (3) No.
- (4) The Department of Treasury and Finance and Western Power are currently finalising the statement of corporate intent.
