

CBD TRANSPORT PLAN

249. Hon KEN TRAVERS to the minister representing the Minister for Transport:

I refer to the Minister for Transport's recent announcement regarding a CBD transport plan.

- (1) Will the minister table a copy of the maps he used to show traffic impacts when announcing the plan to the media; and, if not, why not?
- (2) Will the minister table a full copy of the traffic modelling on which these maps were based; and, if not, why not?
- (3) Did the modelling used to produce these maps model traffic impacts for any areas outside the areas shown on the maps?
- (4) If yes to (3), will the minister detail the impacts on roads outside the areas of the maps; and, if not, why not?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of the question. I have only just now viewed the answer. I am not satisfied with it. I am not prepared to give it to him today. Perhaps we can return to that tomorrow.
