

DRIVING LICENCE TESTS — WAITING TIMES

800. Hon KEN TRAVERS to the minister representing the Minister for Transport:

- (1) What is the current average waiting time for people to sit driving tests in WA?
- (2) Which examination centres have an average waiting time above the statewide average?
- (3) Which examination centre has the longest average waiting time in WA, and what is the average waiting time at this centre?
- (4) What action is the government taking to address this issue?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of the question. Because of the workload in the other place, I have not been able to confer with the minister I represent to provide an appropriate answer at this time.
