

SOUTH WEST HOUSING NEEDS ASSESSMENT

**1029. Hon ADELE FARINA to the minister representing the Minister for Housing:**

This question was redirected. I refer to the south west housing needs assessment undertaken by the South West Development Commission, LandCorp and the Department of Housing. When will the report be publicly released?

**Hon KEN BASTON replied:**

I thank the honourable member for some notice of the question.

The Department of Housing refers the honourable member to the previous answer provided on 16 September 2014. The south west housing needs report was part of a joint study between the Department of Housing, the South West Development Commission and LandCorp. The report was developed to guide and influence future plans and priorities for the three agencies. The department is happy to offer a briefing with the member on the report.
