

MAIN ROADS — CUNDERDIN–QUAIRADING ROAD

**431. Hon KEN TRAVERS to the minister representing the Minister for Transport:**

I refer to works being undertaken on Cunderdin–Quairading Road as part of Main Roads' grain freight network stage 1 budget allocation.

- (1) How much has been allocated for these works and what works will be undertaken?
- (2) Can the minister confirm that a number of the corners on this road will not be widened?
- (3) If yes to (2), why are some corners not being widened?
- (4) Will these corners have a seal of less than seven metres?

**Hon SIMON O'BRIEN replied:**

I thank the honourable member for some notice of this question. Main Roads WA advises —

- (1) There has been \$7.135 million allocated with works including widening, overlays, reconstruction and realignments.
- (2) The minister is unaware of any corners not being widened.
- (3)–(4) Not applicable.
