

QUILL WAY, HENDERSON — SPEED LIMIT

**1067. Hon SIMON O'BRIEN to the parliamentary secretary representing the Minister for Transport:**

My question relates to the section of Quill Way, Henderson in the vicinity of Redemptora Road.

What is the recent history of speed limits on this section of Quill Way and, specifically, is the speed limit on this section of Quill Way 70 kilometres an hour; and, if not —

- (a) when did the speed limit change;
- (b) what were the reasons for the change; and
- (c) how was the change notified to the public?

**Hon Ken Travers:** How fast were you going when the Multanova got you?

**Hon SIMON O'BRIEN:** No, it was not me! I am asking the question; it was not me.

**Hon JIM CHOWN replied:**

I thank the honourable member for some notice of the question.

- (a) The speed limit has not changed and remains 50 kilometres an hour as the section of the road is classified as a built-up area; and
- (b)–(c) not applicable.
