

WATER CORPORATION — REDUNDANCIES

**1411. Hon ALANNA CLOHESY to the minister representing the Minister for Water:**

I refer the minister to the invitations that have been made to Water Corporation staff for them to express an interest in voluntary redundancy.

- (1) How much does the Water Corporation plan to pay out in termination entitlements from this batch of redundancies?
- (2) Was the decision to offer voluntary redundancies connected to the new savings measures announced by the state government on 9 October 2014?
- (3) Is it planned that any of the positions vacated by Water Corporation staff will be replaced by contractors or contracts with the private sector?
- (4) Was the decision to make offers of redundancy to Water Corporation staff part of the five-year strategic development plan tabled in Parliament by the minister in August 2014?

**Hon KEN BASTON replied:**

I thank the honourable member for some notice of the question. On behalf of the Minister for Water —

- (1) This is unknown.
- (2)–(4) No.
