

OFFENDER RECIDIVISM FIGURES

891. Hon GIZ WATSON to the minister representing the Minister for Corrective Services:

I refer to tabled paper 3898—I hope that is the right number—“Prison Population and Reported Crime in Western Australia: 5 Year Snapshot”, tabled by the Attorney General on 21 September 2011 in the other place.

- (1) Will the minister please table offender recidivism figures for the same period?
- (2) If no to (1), why not?
