

NORTH-EASTERN SUBURBS — TRANSPORT OPTIONS

2917. Hon Ken Travers to the Minister for Transport

- (1) What reports have been undertaken since the 23 September 2008, that relate in any way to transport options for the north east suburbs of Perth?
- (2) Which of these reports have already been made public?
- (3) Will the Minister table a copy of all reports that have not yet been made public?
- (4) If no to (3), why not?

Hon SIMON O'BRIEN replied:

- (1) Consultants Parsons Brinckerhoff have undertaken two studies for the PTA. No other formal studies have been undertaken.
- (2) The reports have not been made public.
- (3)-(4) These reports provided information considered by the independent panel set up to develop a long term public transport network plan. The Government will consider release of these reports after Cabinet has completed its consideration of the Plan.
