

KARRATHA SENIORS VILLAGE — RELOCATION

**605. Hon HELEN BULLOCK to the parliamentary secretary representing the Minister for Regional Development:**

I refer to the Pilbara Cities scheme and the proposed relocation of the Karratha Seniors Village from the area near the courthouse to provide for the demolition of the existing facility and the construction of an extension off Sharpe Avenue.

- (1) Has the state government agreed to the Karratha Seniors Village being relocated to the low-lying area off Crane Circuit?
- (2) Has the Shire of Roebourne requested that the state government indemnify the local authority against any risks or losses associated with flooding of the relocated Karratha Seniors Village in this area?
- (3) What consideration has the state government given to this request?

**HON WENDY DUNCAN replied:**

I thank the honourable member for some notice of this question and I note that the question was submitted on 23 August 2012, so the answer is relevant to that date.

- (1) The state government has agreed to relocate the Karratha Seniors Village to the Warrambie Estate, lot 557 on Sharpe Avenue, which is adjacent to the Karratha service workers' accommodation.
- (2) There has been no request to the state government from the Shire of Roebourne.
- (3) Not applicable.
