- (1) Are any courses that were previously offered by State Training Providers via correspondence in 2014 no longer being offered in 2015?
- (2) If yes to (1):
 - (a) what are the names of the courses that are no longer being offered and at which colleges; and
 - (b) how many students were enrolled in 2014 in each of the courses?

Mrs L.M. Harvey replied:

- (1) Yes. The delivery mode of “correspondence” has largely been superseded over recent years by other flexible delivery modes, such as online delivery.
- (2) (a)–(b) [See tabled paper no 2736.]
