

CANNING COLLEGE — PROGRAM DELIVERY — OVERSEAS STUDENTS

148. Hon DONNA FARAGHER to the Minister for Education and Training:

I refer to the minister's press statement of 13 December 2017, which states —

Program delivery at Canning College will change to deliver programs to overseas fee-paying students only ...

- (1) How many meetings have been held between the Department of Education and Canning College to discuss the transition of program delivery change since the announcement?
- (2) Of the meetings referred to in (1) —
 - (a) when and where was each meeting held; and
 - (b) who attended each meeting?
- (3) Will the minister table all correspondence between the department and Canning College relating to the proposed change in program delivery and the transition process since the minister's December announcement; and, if not, why not?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

I saw her question come in, but the member knows where I have been. I have not seen the answer and I have not signed off on any questions to me, but I know that she lodged the question. I give an undertaking that I will give the answer tomorrow. For everybody else, Madam President, I have not signed off on any questions to me because I have been at the table.

The PRESIDENT: You will be having a quiet afternoon during question time, Leader of the House.

Hon SUE ELLERY: If members asked a question of me in a representative role, I have answers, but I have not been able to sign off on questions to me.
