

WATER CORPORATION — CONTRACTS — WHEATBELT

**149. Hon DARREN WEST to the minister representing the Minister for Water:**

I refer to the minister's media statement dated 27 November and titled "Wheatbelt contractors to deliver water upgrades". What is the value of each contract for each of the local contractors appointed to the four pipe replacement projects?

**Hon KEN BASTON replied:**

On behalf of the Minister for Water, I thank the honourable member for some notice of the question.

Contracts need to be reviewed to determine whether consent is required to release this information. It is not possible to provide an answer in the time available and the minister therefore requests the honourable member place this question on notice.
