

PUBLIC HOUSING — WOODBRIDGE

**1241. Hon ALANNA CLOHESY to the Minister for Housing:**

I refer to the 10 public housing properties in Woodbridge which, as at 31 August 2015, were awaiting demolition.

- (1) Why have these houses been scheduled for demolition?
- (2) How and when will they be replaced?

**Hon COL HOLT replied:**

I thank the member for some notice of the question.

- (1) The complex was experiencing structural stress due to soil movement that had deteriorated over the past year. The complex was demolished as it was uneconomical to repair.
- (2) The redevelopment potential and options for the future use of the land are being considered.
