

MARITIME COMMON-USE FACILITY — LUMSDEN POINT

574. Hon KEN TRAVERS to the Minister for Finance:

I refer to the minister's announcement on Monday, 30 July 2012 regarding a new maritime common-use facility at Lumsden Point.

- (1) Has the government undertaken any work to establish an indicative cost for this development?
- (2) If yes to (1), what is the estimated cost for the total project?

Hon SIMON O'BRIEN replied:

I thank the honourable member for some notice of the question, and for his interest in this matter.

- (1)–(2) The state government is currently undertaking studies to determine the feasibility of the proposed Pilbara maritime common-use facility. It is anticipated that these feasibility studies will provide the government with an indicative cost of the proposed development.
