

TAFE — STUDENT MANAGEMENT SYSTEM

786. Hon ALISON XAMON to the Minister for Education and Training:

I refer to the planned next version of the student management system, which is due to roll out within the next several weeks. Will the minister —

- (a) table the accompanying release notes listing the upgrades and bug fixes that have been made;
- (b) specify when this release is likely to roll out; and
- (c) advise what training will be provided to staff on any and all upgrades?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

I am unable to provide an answer today. However, I undertake to provide an answer to this question on 13 September 2018.
