

TREENDALE SEWERAGE PRESSURE MAIN

234. Hon SALLY TALBOT to the minister representing the Minister for Water:

I refer to the sewerage pressure main along Opal Drive and the Boulevard in Treendale in the Shire of Harvey.

- (1) Why does the Treendale sewerage pressure main need to be replaced?
- (2) Has the replacement work commenced?
- (3) If not, when will the replacement commence and when will it be completed?
- (4) Will the Shire of Harvey be given indemnity for any current or future sewerage infrastructure failures in the area; and, if not, why not?

Hon KEN BASTON replied:

On behalf of the Minister for Water, I thank the honourable member for some notice of this question.

- (1) The pipe material used in the existing pressure main is faulty.
- (2) Yes.
- (3) Not applicable.
- (4) The Water Corporation is responsible for all costs associated with sewerage infrastructure in Treendale within the Shire of Harvey.
