

BURSWOOD STADIUM — SHUTTLE BUS SERVICE

716. Hon KEN TRAVERS to the minister representing the Minister for Transport:

My question, of which some notice has been given, I believe may have been redirected to the Minister for Finance representing the Minister for Transport.

- (1) What is the estimated operating costs for the proposed shuttle bus service to support people parking in the CBD accessing the proposed Burswood stadium?
- (2) Will users of the stadium be expected to cover the operating cost of this service?

Hon SIMON O'BRIEN replied:

I thank the honourable member for notice of this question. The Public Transport Authority advises —

- (1) The estimated operating costs for the proposed shuttle bus service to support people parking in the CBD and accessing the new Perth stadium will be included within estimates contained in the new stadium transport master plan.
- (2) No direct fare will be charged for users of these services.

Hon Ken Travers: So who's going to pay for it?

Hon SIMON O'BRIEN: That is the bigger picture, Ken, get used to it!

Several members interjected.

The PRESIDENT: Order!
