

DEPARTMENT OF EDUCATION — FUNDING

169. Hon DONNA FARAGHER to the Minister for Education and Training:

I refer to comments made by the Premier in the other place on 13 February 2019, when he said —

The government is on track to spend \$26.5 billion on education in its first term.

- (1) What is the breakdown of the \$26.5 billion referred to by the Premier over each year of the government's term?
- (2) For each of the totals identified by year in (1), what is the breakdown of funding provided by the state and commonwealth governments?
- (3) With regard to the state funding amounts by year identified in (2), what is the breakdown of funding for recurrent and capital purposes?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

(1)–(3) The answer is in tabular form, so I seek leave to have it incorporated into *Hansard*.

Leave granted.

The following material was incorporated —
