

AFFORDABLE HOUSING STRATEGY — SOUTH WEST

1900. Hon Adele Farina to the Minister for Agriculture and Food representing the Minister for Housing:

I refer to the 200 000 additional affordable houses by 2020 committed through the affordable housing strategy, and I ask:

- (a) how many have been built as at 1 October 2014;
- (b) how many are located in the South West region and where are they located; and
- (c) how many are yet to be built in the South West region?

**Hon Ken Baston replied:**

The Department of Housing advises:

- (a) In regards to the 20 000 by 2020 affordable housing target, over 17 168 affordable housing opportunities had been achieved at 1 October 2014.
- (b) [See tabled paper no 2363.]
- (c) Current expectations are for a further 245 affordable housing opportunities to be delivered in the South West by 30 June 2016. Figures for the subsequent period commencing 1 July 2016 are subject to a range of factors and variables and as such cannot be provided at this time.
