SERVICE AGREEMENTS

163. Hon Tjorn Sibma to the Leader of the House representing the Minister for Volunteering:

- (1) Will the Government provide five-year service agreements for volunteer development organisations?
- (2) What indicative administrative savings to Government and to respective volunteer organisations are likely to arise from a transition from three-year to five-year agreements?

**Hon Sue Ellery replied:**

- (1) Yes.
- (2) Volunteering Development Services have 5-year service agreements with Department of Communities (with the exception of two service providers). On this basis there will be limited impact.
