

PORT AUTHORITIES — STATEMENTS OF CORPORATE INTENT

316. Hon KEN TRAVERS to the minister representing the Minister for Transport:

- (1) What date was fixed for port authorities to submit their draft statements of corporate intent to the minister for 2011–12 and 2012–13?
- (2) Has the minister reached agreement with each port authority on its 2011–12 statement of corporate intent?
- (3) If no to (2), why not?
- (4) Does the minister expect to reach agreement with each port authority on its 2012–13 statement of corporate intent before the end of this financial year?
- (5) If no to (4), why not?

Hon SIMON O'BRIEN replied:

I thank the honourable member for notice of this question. The Department of Transport advises —

- (1)–(5) The date is 14 December. Process issues have caused some delays; however, it is expected that this will be resolved expeditiously.
