

**FISHERIES — FISH EYE PROJECT**

*Question without Notice 946 — Answer Advice*

**HON KEN BASTON (Mining and Pastoral — Minister for Agriculture and Food)** [5.06 pm]: I have an answer for Hon Amber-Jade Sanderson to question without notice 946 asked earlier. The answer is as follows —

I thank the honourable member for some notice of this question.

- (1) The budget was \$11.4 million; of this \$0.6 million was removed and provided directly to the Western Australian Fishing Industry Council.
- (2)–(4) While the project is on budget, it has experienced delays as a result of a service provider going into receivership.
- (5) Yes. As part of the project planning, the Western Australian Fishing Industry Council committed to commercial fishers meeting half of the principal capital cost of the project.
