

MARGARET RIVER PERIMETER ROAD — FUNDING

4029. Hon Adele Farina to the Minister for Finance representing the Minister for Transport

I refer to the Margaret River Perimeter Road, and ask —

- (1) What is the current status of this project?
- (2) What funding has the Government allocated to this project?
- (3) What is the expected total cost of the project?
- (4) What are the expected commencement and completion dates for the project?

Hon SIMON O'BRIEN replied:

Main Roads WA advises:

- (1) Environmental assessments are advanced, preliminary design is nearing completion.
- (2) \$1.48m — preliminary design, environmental approvals stage and the purchase of one property for hardship reasons.
- (3) \$67m — to be reviewed once the preliminary design is completed.
- (4) The project will be considered as part of a future Budget process.
