

PERTH FREIGHT LINK — ROE HIGHWAY — STOCK ROAD INTERCHANGE

988. Hon SUE ELLERY to the Leader of the House representing the Acting Minister for Transport:

I refer to the Roe 8 preferred proponent announced in the media statement of 27 October 2015.

- (1) Can the acting minister confirm that that announcement included the Stock Road interchange?
- (2) Did inclusion of the Stock Road interchange change after the government announced its intention to build a tunnel for the second stage of the Perth Freight Link?
- (3) Does the contract currently being considered by the government in relation to Roe 8 include the Stock Road interchange?

Hon PETER COLLIER replied:

I am representing the acting minister. I thank the honourable member for some notice of the question. The member will not like this, but I request that the member puts the question on notice.
