

POLICE — LOCKUPS — FINE CUT-OUTS

4139. Mr P. Papalia to the Minister for Police:

For the calendar year 2014, I ask:

- (a) how many people were incarcerated in police lock ups solely for the purposes of cutting out fines:
  - (i) how many of these were male; and
  - (ii) how many were female?

**Mrs L.M. Harvey replied:**

- (a) The provision of the requested information would require a manual review, and reconciliation between two systems, of every custody record in 2014. This is an extremely resource intensive process.

In addition, as such a process requires some assumptions to be made in the matching of information, WA Police cannot verify the accuracy of any information obtained.
