

COUNTRY LOCAL GOVERNMENT FUND

55. Mr P. PAPALIA to the Minister for Local Government:

I have a supplementary question. Will the minister change his name to “Minister for Local Government in the Metropolitan Area” and cede everything outside the metropolitan area to the Minister for Regional Development?

Mr G.M. CASTRILLI replied:

I thank the member for the question.

The Minister for Regional Development and I have control of and responsibilities for different areas. That question is not worthy of an answer, quite frankly.
