

MEMBER FOR VASSE — ROAD TRAFFIC INCIDENT — POLICE INVESTIGATION

89. Mrs M.H. ROBERTS to the Minister for Police:

I refer to the incident involving the damage to the member for Vasse's government vehicle in the early hours of 23 February.

- (1) Has the minister been informed whether police are investigating whether the vehicle was involved in accidents or collisions with other vehicles that night?
- (2) If so, how many vehicles are alleged to have been hit or damaged?
- (3) Is the minister aware whether the member's vehicle was involved in any collisions with other property?

Mrs L.M. HARVEY replied:

- (1)–(3) I can confirm that WA Police are involved in an ongoing investigation of the matters of 23 February. I am not prepared to comment on an ongoing police investigation.
