p415b-415b  
Mr Vincent Catania

---

**DEVELOPMENTWA —**

*[Supplementary Information No B5.]*

*Question:* Mr V.A. Catania asked for information on negotiations with native title holders in relation to blocks for development in Exmouth.

*Answer:* Development of new residential lots on Learmonth Street Nimitz Street in Exmouth by DevelopmentWA requires finalisation of the Indigenous Land Use Agreement (ILUA) with the determined Native Title holders, the Nganhurra Thanardi Garbu Aboriginal Corporation (NTGAC).

NTGAC and its legal representatives (Yamatji Marlpa Aboriginal Corporation (YMAC)) are currently engaging with DevelopmentWA in relation to finalising the proposed ILUA, to address native title rights and interests over the development sites.
