

BUNBURY–PERTH FAST TRAIN — FEASIBILITY STUDY

5016. Hon Adele Farina to the Minister for Finance representing the Minister for Transport

I refer to the Minister's answer to my question on notice No. 4017 concerning the Perth to Bunbury Fast Train, and ask —

- (1) Does the answer provided by the Minister mean that a decision has been made to terminate the rail line in Eaton and not at Koombana North?
- (2) Does this mean that planning for Koombana North will not provide for a train station at Koombana North?

Hon SIMON O'BRIEN replied:

The Minister for Transport advises:

- (1) No. There is a broad agreement on the route to Eaton, however investigation is ongoing.
- (2) Work on the project is ongoing and no decisions have been made.
