

TAFE — PUBLIC SECTOR COMMISSION ANNUAL EMPLOYEE PERCEPTION SURVEY

**860. Hon ALISON XAMON to the Leader of the House representing the Premier:**

I refer to the annual employee perception survey undertaken by the Public Sector Commission.

- (1) Did any TAFE colleges participate in the employee perception survey in 2016?
- (2) If yes to (1), which colleges?
- (3) Did those colleges that participated receive aggregate results of the survey?
- (4) If yes to (3), when did they receive them?
- (5) Would the Premier please table copies of the aggregate results?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of this question. The Public Sector Commission advises the following.

- (1) TAFE colleges did not participate in the Public Sector Commission's annual employee perception survey. However, the Department of Training and Workforce Development sought the assistance of the Public Sector Commission in undertaking a highly customised and abbreviated survey.
- (2) All TAFE colleges participated in this survey.
- (3) The Public Sector Commission provided raw results to Department of Training and Workforce Development. The results were conveyed to the managing directors of the TAFEs by the then director general of the department.
- (4) On 13 December 2016.
- (5) I will read this and then I will give a commitment on my behalf. The question of tabling should be referred to the Minister for Education and Training as the Department of Training and Workforce Development possesses the aggregate results. I give an undertaking that I will provide the member with the information that I am able to.
