

**FOSTER CARE — ABUSE ALLEGATIONS**

*Question without Notice 795 — Answer Advice*

**HON SUE ELLERY (South Metropolitan — Leader of the House)** [5.06 pm]: I have an answer to Hon Nick Goiran's question without notice 795 asked last Thursday, 13 September. I seek leave to have it incorporated in *Hansard*.

Leave granted.

The following material was incorporated —

---

- (1) One extension was granted.
  - (2) On 11 July 2018, when the initial 30-day period was due to expire, the District Director approved the suspension of the Carer Standard of Care Assessment to prioritise an investigation responding to new allegations received. On conclusion of those inquires, the Carer Standard of Care Assessment was reactivated on 30 August 2018 with an extension granted by the District Director to 30 September 2018.
  - (3)–(4) As client information is detailed on individual client files which are not held centrally, to answer this question would require a file by file review across all Districts. It is not possible to provide the requested information in the time required and I therefore ask the Hon. Member to place this question on notice.
