

FISHERIES — FISH EYE PROJECT

**946. Hon AMBER-JADE SANDERSON to the minister representing the Minister for Fisheries:**

I refer to the Fish Eye project.

- (1) What was the original budget and implementation timetable for the project?
- (2) Is the project currently on budget, and have there been any delays in implementation?
- (3) If there have been any cost overruns or delays in implementation, what are they, and what is the new budget and implementation timetable?
- (4) Have there been any problems with the implementation of the project; and, if so, what are they?
- (5) Were there any plans to have the cost of Fish Eye paid for by parties in the private sector; and, if yes, what private sector contributions were planned, and have they been made to government?

**Hon KEN BASTON replied:**

I do not have an answer for that question.

**Hon Sue Ellery:** So you will undertake to get it?

**Hon KEN BASTON:** I will undertake to get it, yes.
