

ENVIRONMENT AND EMERGENCY SERVICES — VOLUNTEER TRAINING

1353. Ms M.M. Quirk to the Minister for Emergency Services:

Can the Minister advise whether the staff of Department of Fire and Emergency Services and volunteers have participated in joint training exercises with the Department of Environment and Conservation/Department of Parks and Wildlife and local government personnel in the 2012 calendar year and 2013 to date, and if so please list the location, date and number of personnel involved in each?

Mr J.M. Francis replied:

The information contained in this table may differ from that supplied by the Department of Parks and Wildlife as the Department of Fire and Emergency Services has broader record keeping and records joint workshops and seminars as formal staff training exercises.
