

PERTH RAIL NETWORK — ANTISOCIAL BEHAVIOUR

2782. Hon Ken Travers to the Minister for Transport

I refer to antisocial behaviour statistics that the Public Transport Authority monitor, on the Perth rail network, and ask —

- (1) Can the Minister provide the number of incidents that occurred in each category for each line in the Perth Rail Network, and at the Perth Stations?
- (2) Can the Minister provide the number of incidents that occurred in each category for each bus contract area?

Hon SIMON O'BRIEN replied:

- (1) [See paper 2693.]
- (2) Bus incident data is not recorded by contract area as many incidents occur at bus stations and in central corridors that service multiple contract areas. However, statistics are recorded by suburb and a suburb based report for each of the requested years is attached, [see tabled paper no ].
