

CARNARVON POLICE STATION

352. Hon KEN BASTON to the minister representing the Minister for Police and Emergency Services:

I refer to the \$1.2 million allocated to progress the upgrade of the Carnarvon Police Station, which accommodates the police courthouse.

- (1) What works will be included in this funding allocation?
- (2) Will the police courthouse be relocated?
- (3) If not, why not; and, if so, when and to which site?

Hon JON FORD replied:

I thank the member for some notice of this question. The Minister for Police and Emergency Services has provided the following answer -

- (1)-(3) The location of the new police and justice complex has attracted strong public interest. As a result, senior officers from WA Police and the Department of the Attorney General will participate in a community information forum in Carnarvon on Thursday, 25 May, to address issues raised by the community. Until matters are resolved, the project is on hold.
