

AUBIN GROVE TRAIN STATION — PROGRESS

651. Hon SIMON O'BRIEN to the parliamentary secretary representing the Minister for Transport:

I refer to the proposed Aubin Grove train station.

- (1) What stages of the procurement process have been completed?
- (2) When will actual construction of the new station commence?
- (3) When is the station planned to be operational?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question.

- (1) The options to procure the construction of Aubin Grove station are still under consideration and the actual form of procurement will not be decided until the end of 2013. Following that, the formal process of tender documentation, tendering, evaluation and awarding of contracts will commence from early 2014.
- (2) Construction is expected to commence in early 2015.
- (3) The station will become operational in late 2016.
