Question without Notice 854 — Correction of Answer

HON SUE ELLERY (South Metropolitan — Leader of the House) [5.06 pm]: In respect of question without notice 854, asked by Hon Donna Faragher on 8 November 2017, the question became a question on notice and the response was provided on 28 November 2017. The Department of Education has since advised me that the table contained an inaccurate figure. I now provide the revised table and seek leave to have it incorporated into *Hansard*. Summary of reasons for revision: the table attached to the response indicated five Aboriginal education staff located in the Kimberley Education Regional Office. It should have indicated four. One position included in the headcount is an Aboriginal languages teacher who, while located in the Kimberley Education Regional Office, is funded by the statewide services division.

Leave granted.
