

LIGHT RAIL PROJECT — POLYTECHNIC WEST, BALGA CAMPUS

**697. Hon KEN TRAVERS to the minister representing the Minister for Transport:**

I refer to the proposed light rail to the Polytechnic West Balga campus.

- (1) What area of land at the Polytechnic West campus will be required for the railcar depot and maintenance facilities?
- (2) How many of the existing car park bays at the Balga campus will be removed to make way for these facilities?
- (3) Will there be a Park 'n' Ride facility for the general public at the Balga campus?

**Hon SIMON O'BRIEN replied:**

I thank the honourable member for some notice of this question; I notice that his love affair with the Minister for Transport continues!

**Hon Ken Travers:** I loved you more as the Minister for Transport!

**Hon SIMON O'BRIEN:** Good.

The minister provides this answer —

- (1)–(3) This is subject to further planning for the light rail project and the needs of Polytechnic West.
