

BUNBURY OUTER RING ROAD ROUTE

Petition

HON COLIN HOLT (South West) [1.01 pm]: I present a petition containing 847 signatures, couched in the following terms —

We, the undersigned are opposed to the alternative alignment of the Bunbury Outer Ring Road Southern Corridor due to the unacceptable impacts on the environment, farming land and the community.

We therefore respectfully ask the Legislative Council to recommend to government that the original Southern Section Alignment of the Greater Bunbury Region Scheme, as planned and designated over many years, remain as the route for the Bunbury Outer Ring Road.

And your petitioners as duty bound, will ever pray.
