Main Roads Western Australia advises:

I predicate my response by advising that it is assumed that the Member's reference to South West Highway for item 1(c) relates to the Highway officially gazetted as H9 (South Western Highway), and the reference to Great Southern Highway for item (1)(d) as being the main road officially gazetted as M31 (Northam–Cranbrook Road). On this basis, my responses are as follows:

- (1) (a—f) Yes.
- (2) (a) (i)–(iii) The maintenance program for the listed roads is still being finalised by Main Roads.
- (b) (i)–(iii) The capital program for the listed roads is as per the table below:

	2012/13 \$m	2013/14 \$m	2014/15 \$m
Brand Highway	1.5	-	-
Albany Highway	6.4	4.4	-
South Western Highway	4.5	4.3	1.5
Northam Cranbrook Road	0.1	-	-
